CHAPTER 1816

April 2, 2012

Attorney & Counselor at Law  
5000 Lenker St., Suite 202  
Mechanicsburg PA 17050

Dear Michael,

Thank you so much for speaking to NARFE Chapter 1816 regarding Senior Law Issues.

I've been getting highly positive feedback from members who attended the March 20 meeting.

One of these members praised the presentation and went on to say he learned a lot. He was the gentleman with the questions concerning trusts.

And thank you for providing handouts concerning durable power of attorney, wills, and living wills. They will help us understand a variety of important issues we will all be dealing with as we age.

Again, thank you for the time and effort you put into informing our group about highly important topics in our lives.

Sincerely,

Barbara J. Pearce
